

# SUMMER

# CAMP

**Registration  
is now open!**  
[icreatestem.org/camps](http://icreatestem.org/camps)

Taught by certified teachers and professionals  
working in the field

## Now available in TWO locations!

This year's STEM Summer Camp provides all new hands-on experiences with robots, computer science applications, coding, art and engineering. We had such a great time last year! We are excited to welcome back returning campers and are looking forward to meeting new campers this summer.
